

# REQUEST FOR RESEARCH PROPOSALS

## on intracranial hypotension

**SPINAL CSF LEAK FOUNDATION IS ACCEPTING PROPOSALS FOR  
RESEARCH GRANTS THAT ADVANCE THE UNDERSTANDING, DIAGNOSIS  
AND/OR TREATMENT OF INTRACRANIAL HYPOTENSION**

**POSTED:** June 28, 2018

**AWARDS:** Up to \$15,000 (smaller grant applications are welcome)  
Several grants are available.

**ELIGIBILITY:** Clinicians, residents, fellows and other researchers associated with medical institutions based in the USA with an interest in intracranial hypotension.

**APPLICATION DEADLINE:** September 24, 2018

**AWARD ANNOUNCEMENT:** November 19, 2018

**FUNDS AVAILABLE:** Following written acceptance of the terms of the grant award.

AWARDS are determined based on proposal evaluations by the Spinal CSF Leak Foundation Medical Advisory Board with approval by the Board of Directors. Proposals are evaluated on specific aims, originality, methodology, clinical / scientific impact and budget justification.

APPLICATIONS available by contacting the Foundation at [research@spinalcsfleak.org](mailto:research@spinalcsfleak.org)

SUBMISSIONS are to be made by email to [research@spinalcsfleak.org](mailto:research@spinalcsfleak.org)
