

REQUEST FOR PROPOSALS

SPINAL CSF LEAK FOUNDATION IS ACCEPTING PROPOSALS FOR
RESEARCH GRANTS THAT ADVANCE THE UNDERSTANDING, DIAGNOSIS
AND/OR TREATMENT OF INTRACRANIAL HYPOTENSION

- POSTED:** June 8, 2019
- AWARDS:** Up to \$25,000 (smaller grant applications are welcome)
- ELIGIBILITY:** Clinicians, residents, fellows and other researchers associated with medical institutions based in the USA or Canada with an interest in intracranial hypotension are eligible.
- APPLICATION DEADLINE:** September 6, 2019
- AWARD ANNOUNCEMENT:** November 8, 2019
- FUNDS AVAILABLE:** following written acceptance of the terms of the grant award and IRB approval

AWARDS are determined based on proposal evaluations by the Spinal CSF Leak Foundation Medical Advisory Board with approval by the Board of Directors. Proposals are evaluated on specific aims, originality, methodology, clinical & scientific impact and budget justification.

APPLICATIONS may be obtained by contacting the Foundation at research@spinalcsfleak.org

SUBMISSIONS are to be made by email to research@spinalcsfleak.org

Our mission is to reduce the suffering of those affected by spinal CSF leaks.
